

DIGITAL RESOURCE OVERVIEW

JA More than Money[®]

■ Work and Career Readiness ■ Financial Literacy

The *JA More than Money* kit-based program introduces third-, fourth-, and fifth-grade students to financial literacy and entrepreneurship, and to social studies learning objectives that include money-management, goods and services, and global markets. *JA More than Money* digital resources include optional assets and videos for select kit items that can be used in classrooms equipped with basic technology, such as an interactive whiteboard or a projector with screen and a laptop. Volunteer resource videos are also available within the course to assist volunteers in preparing for their sessions.

RESOURCE INSTRUCTIONS FOR VOLUNTEERS AND TEACHERS

Go to D2L, the JA learning platform, at <https://learn.ja.org>. Login with your username and password. Users who had login credentials on the previous JA Learning Platform (CK) will use the same login credentials as they did for CK. If you do not remember your password, click Reset Password. New users will receive an automated email to create their login. Select JA More than Money from the course selection grid at the top. Select “Content” to see a drop down navigation menu on the left. Open each session to find Student Resources (Digital) for these digital resources.

For each digital asset, select the green title. Next, select the title in the left navigation. Next, expand the asset by clicking on the icon at the top right. The resource will open to fullscreen. When you finish, hit the escape button or select “Exit Fullscreen” at the top center of your screen. This will return you to the menu to navigate to the next resource.
